**Over 500 New Neverwinter Nights Adventures Available.
Great new Neverwinter Nights modules now available free online.**

EDMONTON, Alberta, Canada - July 29th, 2002 - BioWare Corp. today announced that over 500 new adventure modules are now available online through the Official Neverwinter Nights community. A central resource for players, module builders and Dungeon Masters, the BioWare Neverwinter Nights community has never been busier as module authors, and fans hit the site looking for new, high-quality, Neverwinter Nights adventure modules.

"The community is building professional quality adventures, and they're collaborating with BioWare designers and each other on the BioWare Community Website," said Dr. Ray Muzyka, Joint CEO of BioWare Corp.

"The Neverwinter Nights Community is very ambitious, dedicated, and resourceful - we're simply blown away at the new things they're doing! We're creating a whole bunch of resources to help them out, such as writing detailed online tutorials, and releasing brand new game content that will allow them to create even more interesting adventures," added Dr. Greg Zeschuk, Joint CEO of BioWare Corp.

To be able to maintain and grow this type of community support, the Official BioWare Neverwinter Nights community site is partnering with various high-profile fan and computer gaming sites.

"Together, we're managing the vast, head-detonating amount of new content that's out there", said Jay Watamaniuk, BioWare's Community Manager. "Each of

these sites bring their strengths to the Neverwinter Nights community and together, the Neverwinter Nights community is an incredible resource for all Neverwinter Nights gamers", he concluded.

The Official Neverwinter Nights Module Directory, community links, and search utilities can be found on the Official BioWare Neverwinter Nights website at <http://nwn.bioware.com>.

About BioWare Corp.

BioWare Corp. is an electronic entertainment company that develops computer and console games. Neverwinter Nights™, recently published by Atari, was the most anticipated RPG of the year winning numerous industry and trade show awards throughout its development. Our previously published projects include: Shattered Steel™, the genre-defining Baldur's Gate™ role playing game series, MDK™2 for Dreamcast and PC, and MDK™2: Armageddon for PlayStation®2. The award winning critically acclaimed expansion pack, Baldur's Gate™ II: Throne of Bhaal, continued BioWare's RPG leading tradition of massive story development and engaging gameplay. BioWare's developers are currently hard at work on Star Wars:® Knights of the Old Republic (to be published by LucasArts) for the Xbox and PC. Development continues on our 'secret' new project. BioWare information can be found online at www.bioware.com.
